

THE ROCKEFELLER UNIVERSITY  
CHILD AND FAMILY CENTER

**Photo Release Form**

The teachers at The Rockefeller University Child and Family Center ("CFC") take many photos of the children throughout the year to illustrate the variety of activities in which they are engaged. Some photos will be used in books made by the teachers and children or displayed in the CFC hallways and rooms or in The Rockefeller University cafeteria. The children's names are not used when the pictures are displayed outside of the CFC.

Videos are also made of classroom activities for teacher-training purposes, curriculum presentations at the CFC and for parents/guardians to view his/her child during certain activity times. Videos are often shared with the children and parents/guardians but not with others outside of the CFC.

Many of the pictures and videos taken will be posted on a secure web site for you to view, share with your families and print.

I represent that I am the parent or legal guardian of my child named below, and I am lawfully authorized to sign on behalf of my child. I grant permission to the CFC to electronically record my child's image during class activities, which may appear in the forms described above. I agree that any photos or videos made available to me by the CFC through a secure web site will be used only for my personal, noncommercial use. I will not use such photos or videos for any unlawful, abusive, indecent or obscene purpose.

I acknowledge that the CFC retains all right, title, and interest in the images photographed and videos recorded in connection with the CFC, including without limitation all copyrights and rights of attribution. I hereby waive all privacy, publicity, defamation, libel, and proprietary rights relating to the photos/videos.
